

NOTTINGHAM UNIVERSITY
SAMWORTH ACADEMY

Thursday 21st

Dear Parents/Carer,

Our keyworker provision is much busier this time around than the last lockdown. In the keyworker provision, the students access the same work as the children at home. They work individually on the computers in a classroom supervised by a teacher. We do not provide individual lessons to students as we have a mixture of abilities and ages and this would also be discriminatory to those students who are having to work at home.

Due to the number of computers in school and the number of children we are allowed per room due to Covid restrictions, we have to limit numbers. Therefore, I urge that in line with the lockdown guidance, if people can stay at home then they should. If you work part-time, please only book a slot for the days that you work to allow us to support as many parents as possible.

The bookings are now available for the week commencing 1st February and 8th February 2021. On the booking, you will be asked to provide details of your employer and the dates on which you require provision.

If you require a place, please ensure you complete this form, even if you have completed it before. We send a new form every two weeks to ensure we have the most recent information.

https://forms.office.com/Pages/ResponsePage.aspx?id=Lulr9FO180SIVj4NhJCOuJ3l5BxLxw5A_iCKkTPyHePBUNFo1NOVXVFVUUTdNMIFaQTISWEFPOVJSQy4u

The deadline for the completion of this form is Wednesday 27th January at 3pm. We will not take any bookings after this time.

Any questions regarding Key worker provision, please ensure that you contact Mr Schmidt on sschmidt@nusa.org.uk

Take care,

Emma Howard
Head of School
