Tuesday 17th March 2020

Dear Parent/Carer,

In light of the recent Government announcements regarding isolation for people with underlying health conditions, we now find ourselves in the position where we have a number of staff absences. As a result of this, we need to ensure that we continue to provide education for as many students as possible, whilst maintaining a safe staffing level.

We have unfortunately had to take the decision to ask that from today, all Post-16 students work from home until further notice. Students will be provided with work to complete during their period of home study. We will send additional details later in the day regarding the provision of work for students.

I will ensure that I provide you with regular updates during this difficult time.

I hope that you and your family are safe and well.

Yours Sincerely,

Emma Howard
Head of School
