

NOTTINGHAM UNIVERSITY
SAMWORTH ACADEMY

Monday 18th May 2020

Dear Parent/Carer,

As you will be aware, the Government issued a statement to say that plans will start to be put in place for Year 10 to return to school for some form of face to face contact from Monday June 1st. Students would not return to a full time timetable and would not be in school every day. Our class sizes will be limited to 15 students only and we will ensure that all social distancing guidelines for schools are adhered to. We will still continue to set work for students to complete at home via TEAMS or paper copies.

Before any plans are released to parents and students, it is important that we have a greater understanding of how many parents/carers would intend on sending their child back in to school. I understand that this is a stressful and worrying time for parents. Therefore, if you do make the decision to not send your child back in to school, then we respect your decision to do what you believe is best for your child.

Please complete the survey below to indicate whether you are intending to send your child back to school for some form of face to face contact.

Please complete this by Tuesday 19th May at 5pm.

I will then send an additional letter with further details later in the week to all parents who do wish to send their child back to school.

Please take care,

Emma Howard
Head of School
