Please support your child to do the best in their exams by:

- Helping them create healthy sleeping and eating habits
- Helping create a quiet space for them to revise, school is open until 4pm on Tuesday-Thursday for quiet revision.
- Encouraging them to attend every day and be on time
- Ensuring that they arrive to school with the equipment they need to complete their exams

All students have been given guidance on conduct and rules for exams and have had several opportunities to practice throughout their mocks. JCQ guidance for all candidates across all schools can be found at the link below, failure to follow rules and meet expectations may result in a students paper not being graded by the exam board. All students have also received a copy of this guidance.
