

3rd February 2022

Dear Parent/Carer,

RE: Parental Online Information Event- Webinar

We are holding an online information event about the Year 11 Intervention Programme and Examination series on Friday the 4th of February until Monday the 7th of February. You will be able to watch a presentation about the opportunities available to your child over the next 45 days, coming up to their first examination. This presentation is 25 minutes long.

The session includes:

- What is intervention and why do we do it?
- What intervention are we offering
- The examination process and what to expect
- How your child can be an 'Outstanding Achiever' by May 2022

The link for the event has been uploaded onto Youtube: https://youtu.be/K4E8_rDt960

This webinar will give you all the information that you need to support your child through the examinations this year. There will be no need to have your camera on as the link will automatically play as you log in.

We are really looking forward to this online event following the success of the first 'ATL' webinar last year. As always at #AmazingNUSA, we want to make sure that you have all the information you need to help your child fulfil their potential. Please do not hesitate to contact us if you have any questions at cbackhouse@nusa.org.uk.

Yours sincerely,

Ms Backhouse

Miss Strawson

Assistant Head

Teacher Head of Year 11

Nottingham University Samworth Academy | Bramhall Road, Bilborough, Nottingham NG8 4HY
