

NUSA Year 9 Pathways & Progress Evening

You and your child are invited to attend Year 9 Pathways and Progress Evening 2022, in person!

Find out about the subjects that your child could study until the end of year 11. Also find out how your child is progressing in English, Maths and Science.

March 23, 2022
4- 7pm
NUSA

Over 10 subjects to choose from!

Be ready to talk with our heads of department who will be available to answer all questions about your child's suitability for the subject.

You may also have the opportunity to discuss your child's current progress in either English, Maths and Science with their respective teacher*.

***Please note, this is only reserved for those students who have been identified as not making sufficient progress this year.**

Which path is the right one?
